

# Scrubby- 's

## (...or Kitchen Cookies & Bath Biscuits!)

This super fun and lightning-quick project is wonderful for clean up jobs in the kitchen, for body buffing in the bath, or make without tulle for cute coasters sets!

## Supply List:

- **Regular Gauge Loom with at least 6 pegs.**  
\*note: samples were knit on the round blue Knifty Knitter.
- **Half of one ball of 100% Cotton Yarn.**  
\*note: Sugar & Cream was used in samples.
- **Tulle trimmed to 1.5-2" width for a total of 8 yards.**
- **Yarn needle, 5.5-6.5 mm Crochet Hook, Scissors.**

<b>Pattern &amp; Instructions Key</b>	
<b>Cast On</b> (add new length of yarn to loom using number of pegs and method stated)	CO
<b>Working Yarn</b> (yarn connected to skein)	WY
<b>E-Wrap Knit</b> (method of knitting by wrapping each peg with WY while keeping connecting lines to the inside of loom.)	EW
<b>Knit Off</b> (lift bottom loop over top loop and off the peg to the inside of the loom)	KO
<b>Panel Knit</b> (method of knitting a flat piece of knitted material by <b>not</b> joining in the round.)	PK
<b>Purl</b> (Lay WY across the outside of the loom, below current loops. Reach down through top loop with tool, snag WY and pull a new loop up through old loop. While holding new loop, KO old loop to the inside of the loom, then replace new loop onto peg. Adjust tension.)	P
<b>Stitches</b>	Sts
<b>Slip Stitch</b> (Simply means to skip the peg and not knit it- provides a nicely finished edging.)	SSt
<b>Bind Off</b> (basic method: beginning with the end next to WY, knit pegs 1 & 2. Move the loop from peg 2 to peg 1, KO. Move the loop from peg 1 to peg 2. Knit peg 3. Move the loop from peg 3 to peg 2, KO. Move the loop from peg 2 back to peg 3...cont. till the WY is trimmed and pulled thru last loop. Cinch to secure.)	BO
